# Plateau Perennial Ryegrass

### Excellent Overall Turf Quality

Plateau Perennial Ryegrass is a new cultivar which exhibits excellent turf performance over a wide range of conditions and climate regions. Plateau has exceptional performance in Northeast and Transition Region NTEP trials.

### Improved Disease Resistance

A strong disease resistance package provides Plateau Perennial Ryegrass with excellent resistance to gray leaf spot, dollar spot and red thread.

### Outstanding Dense Turf

Plateau's growth habits and leaf texture provide for outstanding turf density ratings.

### Top Performance in Traffic Tolerance

With high test ratings in density in NTEP trials, Plateau forms a dense turf that stands up to high traffic and comes out shining.
