## Performance in Trials<sup>1</sup>

## Our Strategic Partner for Corn

The strategic partnership between BrettYoung and Elite<sup>®</sup> produce silage and grazing corn selected to maximize ruminant gains.

Elite is a Canadian seed company that prides itself on delivering varieties tailored to the specific needs of farmers across Western Canada. Elite's unwavering commitment to early-maturing markets is demonstrated through continued investments in crop production research, plant breeding and crop variety development.

Elite's corn evaluation program has access to multiple trait platforms and is focused on early-maturing hybrids. The selection of grain corn hybrids targets yield, drydown, standability and disease resistance. In their silage and grazing line-up, hybrids are selected for high tonnage, high energy and production per acre.

When farmers choose Elite, they are choosing cutting-edge products and technology along with industry-leading expertise.

## Distinct By Design

At BrettYoung, we strive to be a company like no other. We are proud of our strategic partnerships with world-class organizations through which we source leading technologies and genetics.

We succeed in our markets by bringing distinct choices that deliver performance and value. By design, our success is deeply rooted within your success; the two are intertwined and grow together. We are **Distinct By Design** and we wouldn't have it any other way.
